LINKINHORNE PARISH COUNCIL

STATEMENT ON INTERNAL CONTROL FOR THE YEAR ENDING 31 MARCH 2026

SCOPE OF RESPONSIBILITY

Linkinhorne Parish Council is a local authority funded largely by public money, and is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for and used economically, efficiently and effectively.

In discharging this overall responsibility, Linkinhorne Parish Council (the Council) is also responsible for ensuring that there is a sound system of internal control in order to facilitate the effective exercise of the Council's functions, and which includes arrangements for the management of risk.

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore provide only reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

The system of internal control has been in place at the Council for the year ended 31 March 2022 and up to the date of approval of the annual accounts and accords with proper practice as set out in the Practitioners' Guide, *Governance and Accountability in Local Councils* (2015). The Council reviewed and adopted Financial Regulations in December 2020 based upon those recommended by the National Association of Local Councils.

THE INTERNAL CONTROL ENVIRONMENT

The Council

The Council reviews its obligations and objectives and approves a budget for the following year at its December or January meeting. The meeting of the Council in December 2024 approved the level of precept for the following financial year.

The Council has appointed a Finance working group. The group met twice in the year ended 31 March 2025. Members of the group monitor progress against objectives, financial systems and procedures, budgetary control and the Council carries out monthly reviews of financial matters. The outcome of the meetings of the group is reported to the Council.

The full Council meets monthly. It monitors progress by receiving relevant reports from the Finance group and the Parish Clerk. A bank reconciliation is presented to each member prior to the monthly meetings.

The Responsible Financial Officer has delegated powers to incur expenditure within the appropriate budgetary provision. Expenditure on any item must be authorised by full Council. The Clerk has delegated authority to incur expenditure of up to £500 per month on remedial safety work, routine supplies, and consumables on behalf of the Council subject to balance in the relevant budget, and, in consultation with the Chairman, of up to £50 per person and £150 per course on approved training/CPD events where training needs are identified and fall within the set budget (Finance Regulations 4-6/Min Ref 2014-146).

In response to an emergency and / or in a situation where the Council is struggling to maintain the quorate the Council delegates authority to the Clerk in consultation with the Chairman and Vice Chairman to take any actions necessary with associated expenditure to protect the interests of the community and ensure council business continuity, informed by consultation with the members of the council. The scheme of delegation will be reviewed no later than December 2026.

The Council carries out regular reviews of its internal controls, systems and procedures.

The Council has appointed a Clerk to the Council who acts as the Council's advisor and administrator. The Clerk is the Council's Responsible Financial Officer and is responsible for administering the Council's finances. The effectiveness of the internal audit is reviewed annually by the Council. The Council has appointed an internal auditor, and a report on the effectiveness of internal audit will be presented to the Council meeting in April 2025.

External Audit
